RE: BID 2006000422, PORTABLE TOILET SERVICE

BID DUE DATE: SEPTEMBER 20, 2006

ADDENDUM NO. 1

Bidders are hereby notified that this addendum shall be made a part of the above-named proposal and contract documents.

The following is issued to modify, and/or clarify the proposal and contract documents. These items shall have the same force and effect as the original bid and contract documents, and bids to be submitted on the specified date shall conform with the additions, deletions and revisions as listed herein.

Item #1 Correction: Page 9, TS-03 Scope of Services. Under West County, in the table which lists the facilities, addresses and number of units, delete "Gasparilla Fishing Pier" and its corresponding address. In its place, add "Boca Grande Fishing Pier" and the corresponding address, "Boca Grande Causeway". The number of units is correct.

Item #2 Correction: Page 10, B., last line, which reads, "Units shall be constructed of molded fiberglass to insure a sanitary system, and shall have "split" toilet seats." , is incorrect. Units are to be constructed of polyethylene, not fiberglass.

Item #3 The bid form requires weekly rates and monthly rates. For those units that are on site for less than a consecutive 7-day period, the unit price bid for the weekly rate shall be pro-rated.

This addendum is binding and is to be considered as if contained within the original bid documents of Bid No. 2006000422. Bidders are required to acknowledge receipt of this addendum on their bid forms.
