**6 BACKGROUND ( Why is this Action Necessary, and What Action will be accomplished )**

This is an annual contract that allows various County Departments to provide portable toilet service to those locations and/or special events that do not have adequate toilet facilities. The current contract expires on September 30, 2006. There are several park locations that have no permanent toilet facilities on site and therefore cannot be without this service. For that reason Amberjack Sanitation, Inc., has agreed to have all the required units in place on October 1, 2006.
